

## Photo Guidelines FOCUS EMPATHY - Diversity and Relationship 21 – 25 April 2016

### Photographer

The photo documentation of FOCUS EMPATHY 2016 were made by our event photographer Dominika Lis on behalf of ProTiDe e.V. Dominika Lis is a photographer and a processworker. She is living in Warsaw and works internationally: [www.dominikalis.com](http://www.dominikalis.com).

Additionally, Jens Bobzin captured some special moments. Jens Bobzin is sustaining member of ProTiDe e.V. and supports our work in various ways.

The copyright of all photos goes with the two photographers. ProTiDe holds the right of  
The two photographer keep the artistic copyrights of all pictures. ProTiDe e.V. holds the patent of utilisation. You can use the photos as long as the logo on the each pictures is shown and/or naming the photographer and the event.

### View and Download Photos

In order to enable making these photos available to everyone as a memory and inspiration, ProTiDe e.V. invested the costs for the photographer as well as many hours of voluntary work and paid administration work to thoroughly clarify the release of the photos. Therefore, if you would like to use these photos not just as a personal memory but also for your own PR, we would like to ask you to honor this service with a donation (e.g. between € 5,- and € 30,-, depending on the extent of usage). If you would like to use certain photos in high resolution, we can provide you with them in print quality. Send us an email and tell us the name of the picture you would like to receive in high resolution.

### Please transfer your donation if you use them for your own PR in your business:

ProTiDe e.V., IBAN: DE61 4306 0967 1139 5693 00, BIC: GENODEM1GLS

Reason for payment: Donation

From € 25,- on we can provide you with a donation receipt.

### Agreement of usage from participants

All participants of our event agreed during the registration process that we may publish the event photos here. Although we carefully selected photos for the website, it might happen that there is a photo where you are in the main focus and that you would not want to be made public in the collection. After publishing it first on this website all participants were informed and invited to give feedback, in case, somebody wanted to have his/her picture removed.

### From June 13th, 2016 all pictures are free for private use.
